

The Nordica 2018 Jury Report.

The jury congratulate the Icelandic Philatelic Federation (and the co-operation partner Post Iceland) for a well-planned and performed exhibition at TM Höllin, Garðabær. Especially given the situation where you had to find a new venue at very short notice.

The jury would like to thank the Organizing Committee led by Sigurður R. Pétursson for the good co-operation and the excellent facilities provided.

Besides the competitive exhibits a number of invited exhibits from Iceland and abroad were shown.

The exhibits at Nordica 2018 are at a high level and they are a fine demonstration of how philatelic exhibiting is very much alive and developing positively.
